5) There are separate Panchayats for the Village Forests at present. They are not working well, as a rule. There is no object in having a separate Panchayat for the Forest in such cases. In all the villages in which there are Village Forests therefore the V. Panchayat may be given the work of developing the Village Forest; and the desirability of planting hedges in the Village Forest impressed on them. The R.C. will if approved be asked to submit proposals for transferring V. Referring to your letter No.L9034/V.P. 32-26-2 dated 29th June 1927 calling for my opinion on the Resolution No.IX passed at the meeting of the Board of Agriculture on the 19th March 1927 regarding the handing over of Village Forests and gomal lands to Village Panchayets for planting Honge trees, I have the honour to invite kind reference to this Office letter No.Dl.Dis. 671/26-27 dated 25th January1927 and the reply of Government thereto No.L. 8749/L.B.149-26-2 dated 11th May 1927, directing that the question of entrusting the management and control of Hulbanni and gomal lands to Village Panchayets may be taken up a little later when the Panchayets will have gained some experience. I think it is too early to transfer the control of the Village Forests and hulbanni and gomal lands to the Village Panchayets which have been formed only recently. Some of the Panchayets are still in formation. It is better to watch the working of the Panchayets in their normal work as provided for by the Regulation and then transfer the above mentioned control to Panchayets which will be found to have been working their normal concerns efficiently. At least a year may elapse for gaining experience. The question may, I think, be therefore taken up in the year 1928-29.

Letter No.C.2-(a) 549/27-28 dated 12th February 1929, from the Deputy Commissioner, Bangalore District, to the Revenue Commissioner in Mysore.

Subject:-- Handing over Village Forests to Village Panchayets.

With reference to your letter No.C.354/28-29 dated the 24th July 1928, I have the honour to state that the only Village Forest that is working in this District is the one at Kolagondanahalli Kankanhalli Taluk. This may be handed over to the Village Panchayet for planting honge trees etc. The Neriga Panchayet in the Anekal Taluk is reported to be working well and the village forest there which has yet to begin work, may be handed over to the Panchayet.

Letter No.173-28 dated 22nd May 1929, from the Deputy Commissioner, Hassan District, to the Revenue Commissioner in Mysore.

In continuation of my letter No.C.173-28 dated 1st March 1929, in re: the transfer of management of Village Forests to the local Village Panchayets, I have the honour to state that out of the 7 Village Forests constituted so far in this District, the Village Forests of Rajanasiriyur and Matighatta of Belur Taluk and of Bilisinda in the Chennarayapatna Taluk are reported to be working not properly and that they may be abolished.

2. As regards the Gendekatte village forest, Hassan Taluk both the Amildar and the Sub Division Officer are of opinion that it is not desirable to transfer its control to the Village Panchayet and I agree with them in that view, as this is the only village forest that is working satisfactorily and the local Village Panchayet may not be able to manage it efficiently as at present.

3. As already reported the Sub Division Officer of Saklespur recommends that the Madaghatta village forest of the Belur Taluk may be transferred to the control of the Village Panchayet. So also the Sub Division Officer of Holenarsipur and the Amildar of

of Arkalgud Taluk recommend that the Kongalale and Musavatur village Forests of the Arkalgud Taluk may be left in the hands of the local village Panchayets and the Village Panchayets concerned seem to be agreeable to this arrangement.

4. I enclose herein the entire file of vernacular correspondence on the subject and recommend that the village forests of Madaghatta and Kongalale and Musavatoor of the Belur and Arkalgud Taluks respectively may be transferred to the control of the local village panchayets concerned.

5. In the matter of abolishing the other village forests, I shall enquire into the matter and take necessary action separately.

Sir,

With reference to your memo No. C.173-28 dated the 28th July 1928 forwarding a copy of the letter No. L.462/L.B 32-26-5 dated the 16th July 1928 from the Chief Secretary to Government to the Revenue Commissioner in Mysore and calling for proposals in the matter of entrusting the Village forests to village panchayets etc., I have the honor to submit herewith correspondence ending with the Belur taluk Amildar's report No. O.C.68-27 dated the 28th July 1928 regarding the reconstitu-tion of the Madaghatta village Forest panchayet and to state tha the Forest Panchayet of Madaghatta village Forest is now due for reconstitution. In the list of members proposed by the Amildar, it is seen that nearly five out of six are villagers of Madaghatta and it is also proposed to make the Chairman of th Villate Panchayet, the chairman of the Forest Panchayet,. This village forest is situated close to the village of Madaghatta and the village Panchayet is a big one and doing satisfactory work. In these circumstances I recommend that the question of reconstituting a separate Forest Panchayet may be dropped and that the village forest of Madaghatt may be entrusted to the village Panchayet itself and that neces-sary notification may kindly be arranged to be issued. As regards the other two village forests of Rajanasiriur and Mati-ghatta, proposals have been called for from the Amildar and will be sent up separately.

To No. 163 17/9/24 Submitted to the Sub Division Officer Saklespur.

8/1465 H.E. Pub. V.F. Comm. 18/9/24

When I camped in madagatta village of the Belloder Hobli on the 12th & 13th of this month, I inspected the village forest constituted under Govt notification No R. 14829-Fl-177-18-4 dated 20-5-19 Communicated to this office with the Sub Division Officer's order No 16 of 19-20 H.E. dated 5-8-19. The present area of the Forest is A. 8. 392-22. The panchayat constituted under the above notification has not shown any perceptable improvement in the working of the forest except making an attempt during last year to sow some seeds which however did not sprout out. The Forest contains a good number of gall-nut trees the produce of which was sold for Rs 25/- during the year 1923-24. The trees have borne a good crop this year also which appear to yield a better revenue to the panchayat. I have given necessary instructions to the members of the panchayat to dispose of the produce to its best advantage. The amount at the credit of the panchayat is Rs 27/-

There are large bits of lands in the forest capable of being planted up with revenue yielding trees.

The last meeting held by the panchayat was on 17.11.23. The meetings held previous there to were not also regular as prescribed in the Standing order.

With a view to place the panchayat in a proper working order, I collected all the villagers and explained to them the advantages of the scheme. All of them have promised to take a keen interest in the working of the scheme in future. As the panchayat was constituted so far back as 1919, and its reconstitution ~~was long overdue~~, I have selected the marginally noted members in consultation of the villagers. These members are all residents of the village except Shanbhog Honnappaja. They are all respectable ryots paying various sums of money as Kandayam to Government. I therefore beg to propose that the panchayat may be reconstituted with the above members, the reconstituted panchayat members

I am writing to request a leave of absence from my duties as a Teacher at your esteemed school. I am requesting this leave for the period of 1 week, starting from 1st July 2024 to 7th July 2024.

The reason for my request is that I have to attend my cousin's wedding ceremony which is scheduled to take place during this time. My cousin is very close to me and I have been looking forward to this event for a long time. I would like to be present to support my family and to participate in the celebrations.

I have made arrangements for my classes to be covered during my absence. I have discussed this with my colleagues and they have agreed to take over my responsibilities. I have also prepared lesson plans and assignments for my students to ensure that their learning is not disrupted.

I assure you that I will complete all the work that is assigned to me during my leave and will return to school on the scheduled date. I apologize for any inconvenience that my absence may cause and thank you for considering my request.

Yours sincerely,

Mubashir

Memo

Submitted to the Deputy Commissioner Hassan District for favour of Sanction

the nomination of members of Panchayat with Mr. Sadashiva Chairman of Village Panchayat as chairman of Forest Panchayat is proposed by the Assistant Deputy Conservator of Forests Mercara in the event of the latter office in continuing this proposal should have been accepted -

A new Forest Panchayat has been constituted for this Village Forest, but in accordance with the memo No. C 173-28 dated 28th July 28, the V. Forest Panchayat may be entrusted to the V. Village Panchayat, as even the Forest Panchayat members are nearly 5 out of 6 members are Village & Hadaprattas & there is no need to have a separate Panchayat. Recommend to Govt accordingly -
